Whangarei Boys' High School is proud of its 138 years of history as a highly successful school and provides a strong academic education with highly qualified teachers. We offer an exciting and extensive curriculum across many subjects along with a wide range of sporting opportunities.

We have an excellent, well-established international programme. All international students are placed in the care of our International Director who is responsible for their academic and personal welfare. The International Director works closely with the Heads of Faculty, Deans, and other senior staff to ensure that students are cared for and their needs met. International students are encouraged to play a full part in our school and are placed in one of our five Whanau groups.

Our school is located in Whangarei, Northland's largest city. It is a safe, clean and friendly place to live, with New Zealand's warmest climate. Our region is stunningly beautiful, with unspoilt beaches, harbours and forests. Nowhere in the district is more than 40 kilometres from the spectacular coastline. Whangarei Boys' High School is situated on 38 acres in a very picturesque setting surrounded by bush-clad hills, and only a 10-15 minute walk to the heart of the beautiful Whangarei Harbour, and the city centre.
