Minutes: May 2022

Discussion held in regard to the necessity of a Truancy Officer. We no longer have MoE funding for this position and cannot increase the budget to include a replacement. It was suggested that this could be a position covering all schools and funding collectively.

6.2 Regular Review:

Inclusive Learning – Whole School Data

The results for Inclusive Learning have been exceptional.

It was noted that the transition programme run at Manaia View School has great potential to be run at other schools due to the success.

International Department Report

A marketing trip to Europe is planned for July

- NELP
- NCEA Results 2021

WBHS have achieved extremely well in the final comparisons between the Whangarei schools. Very pleasing results.

The BoT will arrange a time when the majority can attend a morning tea with the staff to acknowledge the success of 2021.

The finance committee will be closely monitoring the financial position. The Business Manager has been asked to provide an EOY prediction. The finance committee recommend a base working capital figure of \$200 per student, ideally higher than this but most definitely not lower.
