

RESTITUTION FOR DAMAGES

Rationale:

Students will be held accountable for damage.

Purpose:

To allow the school to recover costs of wilful, deliberate or negligent damage caused by students, from their parents or caregivers.

Scope:

This policy applies to all students.

Guidelines:

1. Where a student is guilty of deliberate vandalism his parent/caregiver may be liable for the cost of repair or replacement.
2. Where the damage is accidental, the student's parent/caregiver will be liable for a proportion of the cost of repair or replacement. This proportion shall be negotiated between the student concerned and the Deputy Principal/Property Manager after consulting with the teacher or student reporting the incident.
3. The parent/caregiver will be advised of the student's actions before being invoiced for restitution.
