MoE Project Steering Group Report

Move to In-Committee:

Moved "That in terms of Section 48 of the Local Government Official Information and Meeting Act 1987 the public be excluded from the next portion of the meeting because it wishes to discuss matters potentially impacting staff for the reason that discussion of these matters in public would infringe the privacy of a natural person under Section 9 (2) (a) of the Official Information Act 1982."

D. Robertson / K. Gilbert-Smith Carried

E.R.O.

Angie Savage from ERO attended the meeting to explain the new review process that ERO is undertaking. Angie is our appointed ERO reviewer and is appointed to the school indefinitely. There may be a team assisting Angie with WBHS review but this will depend on the focus of the review and the external expertise that may give assistance / advice.

The initial process is that the Reviewer will meet with the Principal and SLT to identify with them a focus area for the formal review. This focus area may be broad or specific to one area / project the school is working on.

Angie explained the background as to why ERO have changed the process and the benefits of this new approach.

Angie has already met a couple of times with SLT and with a group of the students. This initial

time spent at the school is in building relationships, especially with SLT so that a trusted working relationship is developed.
